Data Protection (GDPR)

As many of you are aware, the law governing the holding of personal data has changed. The General Data Protection Regulations (GDPR) are a Europe-wide set of regulations that came into effect on 25th May 2018. We therefore need to seek your consent on three counts.

1) Consent to hold personal data - Please tick box

I agree that the Hordle Gardening Club (HGC) may hold my personal data, by electronic / automated or paper records for the legitimate business of the HGC. I have the right to ask for the deletion of my personal data at any time and this will be done within one calendar month of my request. I agree that HGC may delete my personal data should I fail to pay my annual subscription within 4 months of the due date.

2) Consent to show personal data on the 'Published List'

I agree that the HGC may show some of my personal data on its 'Published List' for the purpose of enabling members to communicate with one another to facilitate e.g. transport lifts to HGC events.

3) Consent to use photos of club activities

I agree that the HGC may publish any photos taken of club activities on the HGC website to promote the club and showcase the activities.

Please be assured we will only use the information we hold about you purely for the running of the Club. We will never share your data outside the Club.
